Date: March 31, 2017

Community Invited to Meet the Candidates for COS Superintendent / President

Weed / COS –In December 2016, COS announced the retirement of Scotty Thomason, Superintendent/President, at the conclusion of the 2016/2017 year (June 30). In January, the College began the process to search for its next President. First review of applicants is well underway and interviews with candidates for the position of Superintendent/President will be held in April. Following those interviews, three to five candidates will be selected as finalists and will be invited back to the campus to participate in community forums. The forums are one of the final steps in a lengthy selection process, and are open to students, faculty, staff and community members.

The community forums will be held Tuesday, April 25 (Time TBA). The forums will take place at the Weed Campus in the Kenneth W. Ford Theater. During the forums, candidates will have the opportunity to share their visions for the College and answer questions from audience members. Candidates for the position of Superintendent / President will be announced April 19.

For information about the search process or the community forums, contact the College of the Siskiyous Human Resources Department by calling (530) 938-5317. The College may also be reached by calling toll-free, (888) 397-4339.
