COS to Host Resource Fair

Weed/COS – The community is cordially invited to attend the upcoming *Eagle Student Resource Fair*, sponsored by the Office of Student Equity at College of the Siskiyous. The goal of the Eagle Student Resource Fair is to make our students aware of the programs and services available throughout the county so that they may access these services when needed. There is no charge to participate in this event.

The goal of the Eagle Student Resource Fair is to bring local organizations to the COS Weed Campus to provide information to students and community members about what resources are available on campus as well as throughout the County. This event will help participants make connections to local resources such as health and wellness, job placement, campus resources, resources for children and families and much more.

The Eagle Student Resource Fair will be held Wednesday, April 26 from 11 a.m. to 3 p.m. at the Weed Campus in the Quad (area located between the Bookstore, Eddy Hall, Student Center, and Science Building (weather permitting). If weather is poor, the event will be moved indoors to the John Mantle Student Center.

For questions or more information about this event, contact Regina Weston by (530) 938-5376 or send an email to rweston2@siskiyous.edu. The Weed Campus may also be reached by calling toll-free (888) 397-4339.
